A review on chapter 5...

- The seeker of knowledge should always be grateful towards Allah, verbally and in action...
- ... in a sense that he considers all of understanding and knowledge from Allah

« ... لَئِن شَكَرْتُمْ لَأَزِيدَنَّكُمْ... »

“...If you thank (me) I will grant you more...”

“اللَّهُمَّ ... وَ أَكْرِمْنِي بِنُورِ الْفَهْمِ”

“O Allah, bestow us the honor of the light of understanding”

- ... and (should) be thoughtful and helpful to the needy with his/her property and other than that
