Chapter Three: Hajj of Tamattu‘

Rites of Hajj of Tamattu‘...

1. Ihram of the Hajj

Having completed the rites of the Umrah, one must declare ihram for Hajj, in the same way mentioned for the Umrah.

The **ihram for the Umrah** is assumed and declared in one of the aforementioned **miqats**, whereas the **ihram for the Hajj** is initiated in the holy city of **Mecca**.

2. Woquof in ‘Arafat

The second act is the *woquof* in ‘Arafat, i.e. staying in the desert of ‘Arafat from noontime on the day of ‘Arafah until the sunset of that day.

3. Woquof in Mash‘ar al-Haram

It is mandatory to go to Mash‘ar al-Haram – also known as al- Muzdalifah – after sunset on the eve of the ‘Eid and observe *woquof* in the desert of the Mash‘ar until sunrise, as per precaution, on the day of the ‘Eid.

Rites of Mina

It is mandatory to go to **Mina** at the **sunrise on the day of ‘Eid** and there one should perform the **three rites**.

1. **To perform the Ramy** or stoning of Jamarat-al-Aqabah which is the greater Jamarah with **seven small stones** consecutively.

2. **The sacrifice** of a camel, or a cow, or a sheep

3. **Shaving** the entire head (men) – if it were one’s first Hajj, as per mostahab precaution – or [otherwise] trimming some of the hair of the head, moustache, or clipping some of his finger nail.

Mabeet in Mina

There is no objection to remaining in Mina on the tenth day to fulfil its rites.

Rites of Mecca

Having finished with the rites of Mina, the Hajj goes to the holy Mecca on the Day of ‘Eid itself or afterwards to perform five rites there...

1. Tawaf al-Ziyarah

2. **Tawaf al-Ziyarah Salah**, two rak‘ah, behind Maqam Ibrahim.

3. **Sa’y**

4. **Tawaf al-Nisa'**, which is similar to Tawaf al-Ziyarah in the Process.

5. **Tawaf al-Nisa' Salah**
