Topic: Excellence of knowledge and learning in narrations

- ❖ In continuation, there are some other narrations about knowledge, mentioning:
- ✓ Seeking knowledge is obligatory on every Muslim.
- ✓ Virtue of a scholar in comparison to a (mere) pious worshipper is of 70 levels difference, because the first uproots the heretical changes but the second stays in inaction.
- ✓ From the time a student leaves his house until the moment he returns home, his effort is considered to be like travelling and fighting in the way of Allah.
- ✓ The holy prophet said to Ali (A.S.), "if Allah guides one person through you, it would be better for you than this world with whatever it has in."
