

بِسْمِ اللَّهِ الرَّحْمَنِ الرَّحِيمِ

Lesson 44

Rules of *Najasat*

Rules of *Najasat*

- ✚ ... and (exempted is) the blood with the quantity **less than the *Baghli dirham*** (the same as hollow sole of the palm) which is not one of the three bloods.
- ✚ *Salat* is acceptable with a piece of ***najis* cloth with which *salat* cannot be done solely** (it cannot cover the private parts properly).
- ✚ **The clothes should be wrung** of all the *najasat*, except of the urine of the nursing (infant), as pouring water on it suffices.
- ✚ If location of *najasah* is known with certainty, it can be washed. If it be unknown, **all the doubtful places should be washed.**
- ✚ The garment and body should be washed **twice when stained with urine.**
- ✚ When the wet garment or part of body be contaminated on contact with a dog or pig or infidel, the place of contact should be washed.
