

بِسْمِ اللَّهِ الرَّحْمَنِ الرَّحِيمِ

Lesson 9

The Exclusive Signs of Verb

- The verb (فعل) gets distinct from noun and preposition by:
 1. The connected subject pronouns; such as 'ت' in 'فعلتُ، فعلتِ، فعلتِ'.
 2. 'ت' of femininity, as in 'أنتِ، نعمتِ، بئستِ' which is saakin, so the 'ت' of femininity attached to the nouns such as 'مسلمة' or to some prepositions such as 'لات' are excluded.
 3. The feminine subject 'ي' as in the command and mudari' verb (of seeghah 10); such as 'افعلِي' or 'تضريين'.
 4. The emphasis 'ن'; be it heavy or not; such as in 'أقبلن' or 'لنسفعن'.
