The Signs of Command Verb (امر):

- Accepts the 'ن' of emphasis
- Has the command meaning

'ن' of Emphasis (نون التاكيد)

- الخفيفة such as 'إِضْرَيْنْ'
- الثقيلة such as 'إِضْرَيْنَّ'

- If a word has the meaning of commandment but cannot accept the 'ن' of emphasis, then that word is a verb noun (اسم الفعل); such as 'صَه' or 'حَيَّهَل'.
