ImamSadiq.tv The *Haraka* of 'Noon' in Duals and Plurals ImamSadiq.tv

و نونٌ مجموعٍ و ما به التحق
فافتح و قلّ من بكسره نطق
*Give fat-ha to the 'noon' of plural
and few are those who give it kasra*

و نونٌ ما تُثَيِّ و الملحق به
بعكسٍ ذاك استعملوه فانتبه
*And the 'noon' of dual noun and its attachments
is given the opposite (haraka), beware*

In the case of masculine regular plural nouns and its attachments, if it is added to another word as *Mudhaf* (مضاف), then the *noon* at its end will be dropped; like رأيتُ مسلمي امريكا
