## Lesson 69

### Omission of the Referring Pronoun (الضمير العائد)

كذا الذي بما الموصول جرّ  
ك «مُرٌّ بالذي مررتُ فهو جرّ»

*It is also permissible to omit the pronoun by a preposition which has given jarr to the conjunctive  
Such as in "مُرٌّ بالذي مررتُ"*

Conditions:

- The same preposition must have come on the conjunctive
- The meanings of the prepositions must be the same as well
- The governors must be of the same root as well

Example:

مررتُ بالذي مررتُ (به)  
مررتُ بالذي أنتَ مأرُّ (به)  
"يشربُ ممّا تشربون (منه)"
