Lesson 73

The Redundant 'ال'

ولا اضطرار كبنات الاوبر

The impermanent redundant 'ال' may come out of necessity, as in 'بنات الاوبر' which is originally 'بنات اوبر' but to keep the rhythm of the poem, it's been given a redundant 'ال'.

كذا وطبت النفس يا قيس السرى

Another example is 'نفساً' that has come with 'ال' out of necessity of the rhythm in a poem.
