

بِسْمِ اللَّهِ الرَّحْمَنِ الرَّحِيمِ

Lesson 77

The 'ال' of Prevalence (غلبة)

Sometimes when 'ال' comes upon a common noun, makes it a proper noun for a specific thing and that thing will be the meaning that comes to mind when the word is mentioned.

Examples:

Medina	←	المدينة
the (specific) valley	←	العقبة
the (specific) book	←	الكتاب
the (specific) person struck by lightning	←	الصعق
