Conceptual known things are of two types:

1. Self-evident “بديهی”
2. Theoretical concepts “نظری”

How do we know an unknown conception?

The unknown is vague in that it is not limited or distinct, i.e., understood. Therefore, it needs to be defined, and the definition has to be ‘حدّ’ or ‘رسم’ that must be acquired.

ImamSadiq.tv ‘حدّ’ or ‘رسم’ can be acquired through two ways:

ImamSadiq.tv

1. Intellectual analysis
2. Logical binary division
