

## المنادى

### Definition:

It is a noun that comes after the means of calling to draw its attention to the speaker.

### Means of 'نداء'

أ، آ، يا، أيا، هيا، أي، آي

Regarding its 'منادى' (called) they are of two types:

1. For close distance (أ، أي)
2. For far distance (هيا، أي، أيا)
3. Common (يا)

أداة النداء		
الخاصة		المشتركة
البعيد	القريب	
أ أي أيا هيا	أ أي	يا

Types of 'منادى' and its *I'rab*:

1. 'مفرد' (Singular)

A. **Definite singular.** Its word gets 'مبنى على الضمّ' and its place is accusative because of being object for the means of 'نداء' which represents 'أدعو' (I call); such as in 'يا نوحُ قد جادلنا'

B. **Indefinite singular,** which is of two types:

A) **Intended**

B) **Unintended**

2. 'مضاف' (added) that is accusative; such as 'يا قومنا أجيئوا داعي الله وءامنوا' "به"

3. 'شبه المضاف' that is accusative; such as 'يا مُبْتَدَأُ بِالنَّعَمِ قَبْلَ اسْتِحْقَاقِهَا'
