A fact about the angels is that the angels do not disobey Allah (and angels are of no gender)

- The question the angels asked God when Adam (PBUH) was created was not out of rejecting Allah's order, but rather out of curiosity.
- In the story of *Harut* and *Marut*, they did not disobey God and the stories which imply their disobedience are fake.
- What *Futrus* did was not a sin but rather being slow in implementing God's order and therefore it was disciplined.

Creation of Adam (PBUH)

«ثُمَّ جَمَعَ سُبْحَانَهُ مِنْ حَزَنِ الْأَرْضِ وَ سَهْلِهَا وَ عَذْبِهَا وَ سَبْخِهَا تُرْبَةً سَنَّهَا بِالْمَاءِ ...»

“Allah collected from hard, soft, sweet and sour earth, clay which He dripped in water till it got pure ...”

“... and kneaded it with moisture till it became gluey. From it He carved an image with curves, joints, limbs and segments.”

“... then He blew into it out of His Spirit whereupon it took the pattern of a human being”

“... a human being with mind that governs him, intelligence which he makes use of, limbs that serve him ...”

“He is a mixture of clays of different colors, cohesive materials, divergent contradictories and differing properties like heat, cold, softness and hardness, grief and joy.”

- Modern Scientists are finding evidence that clay is the source of all life on earth.
