

Lesson 4 Applicability and Universality of Quran

1. Comparability and Applicability of Quran

The “occasions of revelation’ seem to suggest that the corresponding verses are only for them, but this is against the idea of Quran being everlasting and against the narrations which support the idea.

The “occasions of revelation’ seem to suggest that the corresponding verses are only for them, but this is against the idea of Quran being everlasting and against the narrations which support the idea.

2. Universality

Some proofs of the universality of Quran:

1. The content of Quran which addresses all humankind
2. Conversion of many to Islam
