

## Lesson 10 Quran: The Word of God 3

**There are indicators that Quran is the word of God (not the Holy Prophet's):**

6. There is no confusion or contradiction in Quran.

7. The correct prophecies in Quran

8. Its inclusion of a precise and coherent system of belief that is quite reasonable, especially in the arguments over *Tawheed*.

9. Comprehensive legislation in various aspects of life, in the individual and social affairs.

**Some indicators such as:**

A. Verses of admonition that loom distress

B. Some assertive and tough situations that reveal the connection with Allah, such as the issue of *Qiblah*.

C. Many Qur'anic verses reveal scientific facts that have been proven by modern science, which is expressed as the scientific miracle.
