

Lesson 13

There are 3 rules for Sakin Meem

- Idghaam (إدغام)
- Ikhfaa' (إخفاء)
- Idth-haar (إظهار)

Idghaam ← م + م

In Addition to Idghaam, Ghunnah (extending the nasal sound for 2 measures of the Harakah) should also be observed e.g. كَمِّنْ = مِّنْ

Ikhfaa' (to hide)

Hidden sound of م ← ب + م

In Addition to Ikhfaa', Ghunnah (extending the nasal sound for 2 measures of the Harakah) should also be observed e.g. مِّنْ بَعْدِ (مِمَّ بَعْدِ)

Idth-haar (to show)

Other than 'Meem' and 'Baa'

Full sound of م ← 26-letters of Idth-haar + م e.g. أَنْعَمْتَ
