

بِسْمِ اللَّهِ الرَّحْمَنِ الرَّحِيمِ

Lesson 25

Substitutive *I'rab* Signs in 'الاسماء الستة'

There are three dialects in 'أب' and the other six-nouns, the first of which is preferable and prominent:

→ اتمام	أبا، أبو، أبي
→ قصر	أبا، أباً، أبا
→ نقص	أب، أب، أب

However, the third is better in 'هن' and it does not come with the second.
