#### ***Some Rules about Salat al-Jumu'ah (Friday Prayer)***

6. If a traveler intends to stay somewhere for **ten days or more**, the Friday prayer will become *wajib* on him. So is the rule when he stays somewhere for **thirty days without intention**.
7. Saying a **second *adhan*** for the Friday prayer is a heresy (*bid'ah*).
8. **Trade is prohibited on Friday after the *adhan*** of midday. If one sells/buys something, he will have sinned, though the sale will be valid.
9. **If the imam or his deputy is not present** but congregation and two sermons are possible, some say it is *mustahabb* to hold the Friday prayer and some say it is impermissible. The first view accords more to the narrations.
