

Topic: **Conditions of the Third and Fourth Figure (of the Coupled Syllogism)**

**Section 44**

❖ **Conditions of the Third Figure**

1. The minor premise must be positive.
2. One of the premises must be universal.

Therefore the proper types of this figure are six. (Refer to the book)

**Section 45**

**Conditions of the Fourth Figure**

❖ **Conditions of the Fourth Figure**

➤ One of these two conditions must be observed:

1. Both premises must be positive and the minor must be universal.
2. One of the two premises must be universal and they must differ in positivity and negativity.
