

L 14

Topic: [The excellence of knowledge and learning in narrations](#)

- ❖ In continuation, there are some other narrations about knowledge, mentioning:
- ✓ It is by knowledge that [halal and haram get known](#).
- ✓ The unfortunate and non-prosperous get [deprived of knowledge](#).
- ✓ The [perfection of faith](#) is in pursuit of knowledge and acting upon it.
- ✓ Learning knowledge is [more obligatory than earning money](#) because [sustenance is dispersed](#) and guaranteed by a just God but seeking knowledge has been ordered.
- ✓ Knowledge is better than money because [knowledge protects but money needs to be protected](#), [knowledge rules but money is subjected](#) and [spreading knowledge increases it but spreading money reduces it](#).
- ✓ [When a scholar dies](#) a void occurs in the world of Islam which nothing can compensate if [except a substitute](#).
- ✓ It is [enough for the significance of knowledge](#) that whoever does not have it will get happy when it is ascribed to him/her...
