- ✓ The **analogy** used by Lady Fatimah (s) for a **scholar replying to the questions** is that of a **hireling of God** who... gets the reward of more than the sum of all the pearls which could fill the space between the sky and the earth **for answering one question**.
- ✓ Narrating from the Prophet (s). She says, a scholar from our school will be raised on the Day of Judgment in such a way that he is **clothed in glorious clothes** in accordance to his knowledge and the amount of his struggle to enlighten people.

God will order the angels to cover the scholars who have acted as the guardians for the orphans of the Household with **garments of Light**.
