Ahdath

Ahdath

Conditions (*ahdath*) in which **ablution gets void**:

1. Discharge of **urine**

2. Discharge of **excrement**

3. Discharge of **wind**

4. **Sleep** that prevails over the two senses (sight and hearing)

5. **Faint**, psychosis and intoxication

6. Minor **menstruation** (*istihadah*)

ImamSadiq.tv **Madhy** is a viscid thin moisture discharged from the penis after sexual excitement (caressing). The **wady** is a dense white liquid emitted following micturition. In addition, **wadhy** is a type of liquid that comes out of penis after sexual intercourse and emission of semen.

✚ **Purity does not get void by discharge of mazy, wady, wazy and blood-** even if it comes out of the two outlets- except for the three bloods, **vomiting**, mucus, nail-clipping, shaving hair, touching the private parts, touching a woman, eating what is heated by fire or discharge of something other than urine or feces from the two outlets.
