

Lesson 16

Extended Madd cause by Sukoon

Exposed Madd (مد عارضى)

The Madd has come about due to stopping at the word.

The Madd can be extended for a length of 2-6 counts e.g. (أَلْحَسَابُ) (أَلْحَسَابُ)

Compulsory Madd (مَدَّ لَازِم)

One of the letters of Madd followed by an Original Sukoon or Shaddah

The Madd Must be extended for a length of 6 counts e.g. ضَالِّينَ

Ease Madd (مَدَّ لَيْن)

Letters of Leen are Waw (و) and Yaa(ى) in the state of Sukoon (◌ْ)
preceded by Fathah (◌َ) (يَ - وَ)

Ease Madd is in the case where we want to stop on one of the ease letters.

The Madd can be extended for a length of 2-6 counts e.g. (خَوْفٍ) (خَوْفٍ)

Note: The Madd should be applied to the Ease letter and not to the first or the last word.
